

PROPOSED BY-LAW AMENDMENTS (Mandated by RID)

RID has mandated that MIRID make amendments to the current Bylaws where it states, “local chapters” to “subcommittees” by July 1, 2012.

In order to expedite this process some by-laws were not typed in their entirety (focusing instead on the word or sentence being amended) thus indicated by the [...] at the beginning and/or end of sentence. We would encourage you to go to the MIRID website and refer to the bylaws page if you would like to read the full version of the bylaws. The amendments have been typed in bold italics to help discern the proposed amendments from the current bylaws.
